

**FOURTH ADDENDUM TO GRANT  
ADMINISTRATION AGREEMENT**

**THIS ADDENDUM** is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2022, by and between the **County of Tippecanoe, State of Indiana** (hereinafter referred to as the "County"), by and through its Board of Commissioners, and **Buck Black Mental Health Services**, (hereinafter referred to as the "Contractor");

**WHEREAS**, on or about August 20, 2018, the parties entered into a Grant Administration Agreement whereby Contractor provided substance abuse assessments payable from a Department of Corrections Grant received by the County; and

**WHEREAS**, on December 16, 2019, the parties entered into an addendum noting that the Grant had expired but the County wished to continue to contract for assessments during the 2020 calendar year which were paid for out of County funds rather than Grant funds; and

**WHEREAS**, the parties have extended the contract from time to time and wish to continue to contract for assessments for the 2023 calendar year and from year to year thereafter; and

**WHEREAS**, the parties wish to adjust the compensation provisions for the 2023 calendar year and add mental health assessments to the available services;

**NOW THEREFORE THE PARTIES AGREE:**

1. The Term of the Agreement shall be extended to provide for a term beginning January 1, 2023, and ending December 31, 2023;

2. Contractor shall be compensated for full and complete satisfactory performance of the Agreement at a rate of three-hundred and fifty dollars (\$350) per youth substance abuse assessment as described in the Agreement, with the total compensation not to exceed seven thousand dollars (\$7,000) for the period beginning January 1, 2023, and December 31, 2023.

3. In addition to the services specified in the Agreement, Contractor shall additionally provide mental health assessments at the rate of five hundred dollars (\$500) per assessment, with the total compensation not to exceed five thousand dollars (\$5,000) for the period beginning January 1, 2023, and December 31, 2023.

4. The total combined compensation for both categories of assessment shall not exceed twelve thousand dollars (\$12,000) for the period beginning January 1, 2023, and ending December 31, 2023.

5. The parties understand and agree that the Grant has expired and that compensation to Contractor shall be paid out of County funds. References to the Grant in the Agreement shall remain in force as they pertain to rights and duties County and Contractor owe to one another under the

Agreement.

6. The Term of Agreement shall continue from year to year unless one party notifies the other party in writing of an intent to terminate more than thirty (30) days prior to the expiration of the then current term.

7. The remainder of the Agreement shall otherwise remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates subscribed below.
